SUBJECT

Additional First Grade Clerk (Accountant) for Chief Electrical Engineer's Office.

G. O. No. EAS 283-85. Dated 26th July 1947.

To

The Chief Electrical Engineer to Government
The Comptroller to Govt (through the Financial Secretariat)
The Auditor, Electrical Department.

Sanctions, without duty allowance, the appointment of an additional I Grade Accounts Clerk (Accountant) in grade Rs 40-3-70-5-100 and approves the proposal of the C & E for utilising the Junior Accountant for the disposal of Pension Cases.

In the first place, the first post was only sanctioned in 1941 for a period of one year, or till the reorganisation was sanctioned (till the end of June 1942) whichever was earlier and it is not clear as to how this post was continued beyond the stipulated period. In the place of one clerk doing both the jobs viz. assisting the Accounts Asst in the several items of work & disposing of pension cases, two wholetime clerks with duty allowance of Rs. 10/- each are now recommended.

10) The C. E. E's request is for an extra post on Rs 40-3-70-5-100 under the Accts Asst with an allowance of Rs10/- P. M. to attend to the heavy O. S. arrears and allied accounts work. The work of attending to arrears in sectional offices, outstandings in suspense schedules, inspections and inspection reports of Auditor, reconciling of difference statements of Stock, Tools & Plant and promptly attending to pension papers, seems rather heavy for one clerk on 60-5-100 now attending to it. In view of this, the C. E. E's proposal may perhaps be accepted. But, as it is not certain, once the arrears are cleared, the work will be as heavy as to demand 2 Officials, the sanction may perhaps be for one year in the first instance at the end of which the position may be perhaps reviewed for further continuance or otherwise.

For orders.

The work of the electrical department has been on the increase, and with the recent sanction of pension to all the employees it is very difficult for the Accounts Clerk sanctioned already to look after the work of pension cases, O. S. Statements, etc. So, an additional Accts. Clerk on Rs. 40-3-70-5-100 may be sanctioned.

The Secretary to Government,
Electrical Department,
B A N G A L O R E.

Sir,

Additional 1 Grade Clerk (Accountant) for Chief Electrical Engineer's Office.

I have the honour to state that an Accounts Clerk in grade Rs.60-5-100 has now been attached part-time to the Accounts Assistant to help him in the disposal of the following items of work:-

1) Difference statements of stock and Tools & Plant received from Sectional and Sub-Sectional Offices.

2) O.I. Statements and inspection reports of the Auditor, Electrical Department.

3) Inspection of Sectional and Sub-Sectional Offices and getting irregularities and mistakes noticed removed on the spot.

4) Other miscellaneous work connected with accounts and audit refunds of revenue and clearance of old outstandings in Suspense Schedules.

The other part of his time is utilised for disposing pension and gratuity cases.

This post was sanctioned in G.O.No.EDS.1779-81 dated 18-12-1941 in response to my letter No.9761 dated 8-11-1941 requesting the appointment of a Junior Accountant with a Duty Allowance of Rs.10/- exclusively to attend to the first four items of work. As he is required to attend to Pension cases as well, he has not been able to present to do full justice to other items of work expected of him.

The O.I. Statements of Sections for the quarter ending June 1946 furnish information about the magnitude of arrears at present in Sectional Offices. These arrears have to be pursued through correspondence and the disposal of difference statements of stores and Tools & Plant and of Inspection Reports of Auditor, Electrical Department, the number of which has increased considerably in recent years, attended to promptly. This coupled with the general increase in work all round needs the services of an experienced official to

P.T.O.

work whole-time under the Accounts Assistant. The work connected with the pension cases which has also increased substantially after sanction of the Pension Scheme requires also a Clerk exclusively.

I, therefore, request that the hand sanctioned in the G.O. under reference may be allowed to be utilised for disposal of pension cases in this Office and a new post in grade Rs.40-3-70-5-100 sanctioned to work whole-time under the Accounts Assistant. A Duty Allowance of Rs.10/- p.m. may also be attached to this post for attending to inspection work locally,-as in the case of officials of the Audit Office doing similar work. A copy of memo No.3575 dated 28-4-1947 received from the Auditor, Electrical Department, on the subject is enclosed for information.

I solicit early sanction of Government to these proposals.

I have the honour to be,
Sir,
Your most obedient servant,

CHIEF ELECTRICAL ENGINEER. 8/5

3)

Memo No.9375 dated 28th April 1947 from the Auditor, Electrical Department, Bangalore, to the Chief Electrical Engineer in Mysore, Bangalore.

Your proposal to Government for sanctioning a whole time Assistant to the Accounts Assistant was examined by me in detail and I feel that a proposal for a First Grade Clerk (Accountant) with a Duty Allowance of Rs.10/- may be made, instead of a Second Grade Superintendent as proposed in your draft letter, because the items of work allotted to the Accounts Assistant are in no way different from those mentioned in your letter to Government in 1941 when only an Accountant was asked for. (Vide your office No.9761 dated 8-11-1941). It may also be mentioned that for inspection work, only 1st Grade Clerks with a Duty allowance of Rs.10/- each are employed in this office.
